

## **VERSATILE LIGHTING SOLUTIONS**

### **ACCENT • AMBIENT • ILLUMINATION**

# **ALL-IN-ONE ENHANCE** KIT

**Perfect White** 

3000K

Kit # SCK2R-R30-2PWB

# **RADIANCE LED Seamless Beam of Light Single Color 3000K WHITE**

Creates a warm and inviting atmosphere for focus or comfort.

- Lighting layers
- Enhances design
- Additional functional light
- Detail for any space

- Cabinets & Shelving
- Architectural features
- Pathways & Coves
- TVs & Screens
- Mirrors & Displays
- Logo graphics & Art
- Acoustic treatment panels
- Bar & Wine displays

- KIT INCLUDES: Controller

  - 200W Power Supply
  - 16.4 Feet LED Tape
  - RF Wireless Remote
  - Connectors (10 pcs)

Magnetic-Mount

Power Supply / Controller

Create new and innovative lighting solutions with in-wall control, IoT connected devices, or integrated systems!

#### **SYSTEM FEATURES:**

**ALL-IN-1 DESIGN:** For retrofit applications and new construction.

ULTRA-SLIM: (.75 inch) Controller and Power Supply allow concealed placement options for easier wiring and installs.

BUILT-IN CONNECTIVITY: Multiple technologies for flexible control as stand-alone or connected to a control system.

EASY SETUP: 1-button Push-to-Pair for Auto-discover quick connections. (No programming)

SAFE: Operates on low voltage DC circuits and wires making them safer and simpler to install.

LATEST LED TECHNOLOGY: Radiance Series - Seamless beam of light.

HIGH-DENSITY EMBEDDED LED: Produces enhanced results around high-reflective surfaces to ensure uniform radiant glow. (Such as high gloss tiles, polished concrete, metal, or mirrors)

## VERSATILE LIGHTING SOLUTIONS

### **ACCENT • ILLUMINATION**

# **ALL-IN-ONE** NTERTAIN KIT

# **Design Color**

+ Extended color gamut includes shades of white

## RADIANCE LED **Seamless Beam of Light Multi-Color Premium RGB**

Adds a unique and dynamic style for creativity or enjoying.
